Creation of >16 customized photographic allskies or panoramas, each	359 Euro

ditto. In addition the images are for your exclusive purpose only. That means, that the images will not be presented in any other public institution. We only reserve the right to use the images for our own product presentations. The images are for your own purpose only. You may not pass these to third parties.

Creation of a customized photographic allsky or panorama on request

ditto. In addition you are allowed to pass the images to third parties.

Extra charge for shooting images on 35mm film 169 Euro

The dynamic range of 35mm film is much better than the range of a digital camera.

We will travel to almost any place on earth to shoot photographic allskies or panoramas. So you have the opportunity to take your planetarium visitors to any location or landscape. Travel expenses have to be added to the mentioned prices.

Alignment grids

Rendering of single alignment grids for single projectors, each slide 23 Euro

All grids will be rendered to fit on the projector configuration you specified. The grids will be printed on 35mm film and mounted in Wess mounts.

Rendering of a set of alignment grids (minimum of 6 slides), each slide 14 Euro

All grids will be rendered to fit on the projector configuration you specified. The grids will be printed on 35mm film and mounted in Wess mounts.

Right-angled alignment grid for standard 35mm slide projectors 8 Euro

The slides will be printed on 35mm film and mounted in Wess mounts.

Miscellaneous

Film recording, each film (up to 35 slides) 48 Euro

Rendering slides based on your textures, each texture 5.90 Euro

First time receipt of projection data, each projector 2.50 Euro

Slide mounting in Wess mounts, each 2.50 Euro

Scanning slides, each slide 14 Euro

Measuring and Alignment of existing projection equipment on request

We are happy to receive your order via Fax or email. Any questions, thoughts or ideas are highly appreciated. If you are missing anything here, please, ask for it. We do not like the word "Impossible". We stand by our customers' side with advice concerning allskies and panoramas at any time. Any legal case arising out of any contracts with us shall be heard in Fulda, Germany.
